TRANSMITTAL LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On August 24, 2006, the Patent Office issued a Notice of Allowance and Fee(s) Due indicating that the issue and publication fees are due on November 24, 2006 for the above-identified patent application ("application"). A copy of the Notice of Allowance is attached.

On September 20, 2006, applicant's attorney reviewed the Transaction History displayed in PAIR for the application and noted that on 08-24-2006 there is a Transaction Description of "Mail Formal Drawings Required". A print-out of the Transaction History is also attached. However, applicant never received a notice of formal drawings required.

A review of the file indicates that in the Office Action dated December 28, 2005, the Examiner accepted the drawings which were filed with the application on January 28, 2004.

Therefore, applicant's attorney believes that formal drawings are **not** required for the application, however, if formal drawings are required it is respectfully requested the USPTO notify the below-identified attorney as soon as possible.

Respectfully submitted,

Date: November 1, 2006
